World Communications Day

The theme for this year's **World Day of Communications**, chosen by the late Pope Francis, is '*Share with gentleness the hope that is in your hearts*'. Four days into his election to the papacy, Pope Leo XIV held an audience with the men and women of the media who were in Rome to report on the death of Pope Francis, the conclave, and the first days of his own ministry.

The Pope invited media professionals to promote a different kind of communication, one that “does not seek consensus at all costs, does not use aggressive words, does not follow the culture of competition, and never separates the search for truth from the love with which we must humbly seek it.” “The way we communicate is of fundamental importance,” he said. “We must say ‘no’ to the war of words and images; we must reject the paradigm of war.”

“Communication is not only the transmission of information,” he said, “but it is also the creation of a culture, of human and digital environments that become spaces for dialogue and discussion.” Pointing to the spread of artificial intelligence, the Pope said AI’s “immense potential” requires “responsibility and discernment in order to ensure that it can be used for the good of all, so that it can benefit all of humanity.” Pope Leo XIV repeated Pope Francis’ [Message](#) for the 2025 World Day of Social Communication. “*Let us disarm communication of all prejudice and resentment, fanaticism and even hatred,*” he said. “*Let us disarm words, and we will help disarm the world.*”

The retiring collection taken at Masses this weekend supports the communications work of the Bishops of England and Wales through their websites, publications and social media channels.

Assisted Dying Bill The legislation is heading for its Third Reading (at which the Bill passes or falls) in mid-May (delayed by the bill's sponsors perhaps in order to have more time to convince wavering MPs – suggesting that correspondence with MPs is even more important at this time). Please write to our MP, Dr Al Pinkerton MP at The House of Commons SW1A 0AA to express your concerns.

The Establishment of a new parish of Woking & Surrey Heath

Last year, Bishop Richard Moth published a Diocesan Pastoral Plan: *'The Word Who is Life: The Call to Mission'*, which outlines proposed changes to the structure of our parishes. The biggest change is a transition away from deaneries to one large parish formed of existing church communities.

The current Deanery of Woking is set to become a new canonical parish which will include: Christ the King Bagshot, St Tarcisius, Camberley, St Peter and St John Camberley, Our Lady Queen of Heaven Frimley, St Hugh of Lincoln Knaphill, St Dunstan's Woking, and Our Lady Help of Christians West Byfleet. This grouping of churches will be constituted under the proposed name of *"The Catholic Churches of Woking & Surrey Heath"* with the proposed mission statement **Mission Statement;**

"We are a family of churches that welcome everyone and work together in in Christ to build a strong community of Catholic faithful, who are rooted in prayer and empowered by the Holy Spirit, so that we can live out God's call to proclaim the Good News to all, today and tomorrow."

"There will be two consultation meetings to explain more about the proposed changes with the opportunity for questions. These are taking place at St Dunstan's Church in Woking on Tuesday 3rd on Tuesday 3rd June 7.30pm and Our Lady Queen of Heaven Church Frimley on Thursday 5th June 7.30pm."
